Leading Missouri toward environmental sustainability through waste reduction and recycling.

PRESS RELEASE

Missouri Recycling Association Recognizes Several Businesses, Organizations and Individuals in the Recycling and Waste Management Industry

The Missouri Recycling Association (MORA) will be holding its Annual Conference next week, October 11 - 13, 2022, in Independence, Missouri. As part of its annual conference, a total of 8 award winners will be recognized for their achievements in the recycling and waste management industry.

Please join us in congratulations to the following award winners:

- Earthday365, St. Louis, MO – Best Use of Recycled Product
- Veolia, Louisiana, MO – Outstanding Leadership and Innovation in Recycling
- MRC, Kansas City, MO – Outstanding Business Recycling
- Hollister School District, Hollister, MO – Outstanding Recycling Education Program
- MO Organic Recycling, Lee's Summit, MO – Outstanding Organics Program
- United Enterprises, Inc., Perryville, MO – Outstanding Non-Profit Recycling Program
- Angie Powell, New Bloomfield, MO – Outstanding Leadership in Waste Reduction, Reuse and Recycling.
- Brent Batliner, St. Peters, MO, will be receiving the prestigious MORA President's Award.

Since 1992 the Missouri Recycling Association has sought to lead Missouri toward environmental sustainability through waste reduction and recycling. Each year MORA recognizes companies, programs and individuals who have displayed dedication to this goal.
